

SOUTHEAST SUPPLY
INDUSTRIAL WATER TECHNOLOGY

IN-HOUSE FABRICATION

Providing Chemical Feed Systems for the industrial water treatment industry.

- Custom-fabricated water treatment controller panels
- Camrack corrosion coupon racks (US Patented)
- 316SS injection quills, 1/2" NPT
- SCH80 PVC injection quills, 1/2" NPT

CREATOR OF THE PATENTED
CAMRACK

PVC VALVES & FITTINGS

EDDINGTON
INDUSTRIES

• Fluid Pumps, Controls, Systems

• Air-Operated Diaphragm Pumps
• Fluid Handling

• Pump Manufacturer

• Commercial Plastic Storage Tanks

• Metering Pumps
• Metering Technology
• Water Treatment

• Fluid Technology Solutions

• Water Treatment Sensors
• Hand-held Meters
• Tank Level Indicators

• Filtration housing
• Filtration cartridges

• Water Treatment Controllers
• Accessories

• Filtration cartridges

• Chemical Metering Pumps
• Air-Operated Diaphragm Pumps

• Chemical Metering Pumps
• Air-Operated Diaphragm Pumps

• Quick connect camlock fittings

• Softener resins

• RO Membranes

• RO Systems
• Water Softeners

• Flow meters

• DOT metal drums for contaminated waste

• Flow meters
• Level Sensors
• Analytical pH ORP
